General Information

Communication:

To communicate with parents and carers we send weekly newsletters. We also send regular updates through parent mail and Arbor. Please ensure that the office have your up to date email address.

To support learning and communication we use Microsoft Teams.

Here are some helpful websites to support with getting started.

https://edudownloads.azureedge.net/msdownloads/teams_parents_quickstartguide.pdf

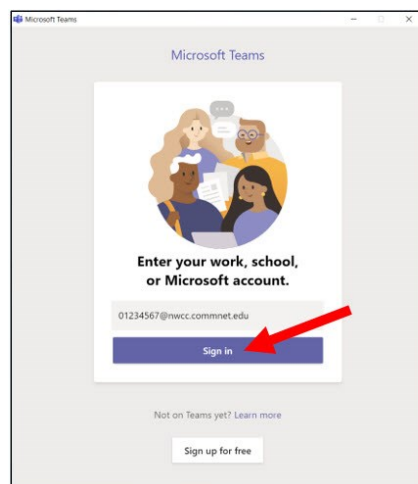

<https://sbsurreystor.blob.core.windows.net/media/Default/medialib/family-guide-to-microsoft-teams-compressed.b5b8b628428.pdf>

Microsoft Teams in KS1

On Teams you will find 2 channels; these are named 'General' Channel and 'Homework' Channel. Here you will have access to the most up to date homework tasks sheet and knowledge organiser. You will also have your own space where you can upload your work for your child's class teacher to look at. You can also bring in the homework completed so it can be shared, celebrated and put up on display in the classrooms!

The General Channel is used for dates, reminders and specific information that needs sharing.

*Please speak to class teachers once you have received your logins as they can help direct you on how to use the new on-line platform. To those of you who are year 2, your username and password will remain the same and you will have been added to a new team dated 2022-23.

Morning and End of Day Routines

The school gates will be open at 8.30am and locked promptly at 8.50am. At this time the children are expected to be in class ready for registration.

During this morning time there will be morning work activities set up for the children to independently access.

The morning can be a busy time for both parents and teachers, so if you need to speak to us, it may be more appropriate to make an appointment after school. Of course, if you have information that needs to be passed on directly, please feel free to talk to us or a teaching assistant.

School ends at 3.20pm, Please come down the playground and wait outside the garden of your child's classroom. If you think you may be a little late, please phone the office on **01271 375074** to avoid your child becoming worried.

If you have any other changes in your regular collection arrangements please let us know so that we can ensure the safety of the children, either in person, via the office or through a signed letter during registration time.

General Information

Free school meals – are you eligible?

The number of families registered for free school meals makes a real difference to our budget, even if the children do not take up the option of the meal. However, there may be a number of children who could be having a hot meal for free, instead of paying. For every child registered the school will receive Government Pupil Premium money which we use to help subsidise school trips, residential and enrichment activities.

Your child may be able to get free school meals if you get any of the following:

- * income support
- * income-based Jobseeker's Allowance
- * income-related Employment and Support Allowance
- * support under Part VI of the Immigration and Asylum Act 1999
- * the guaranteed element of Pension Credit
- * Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- * Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- * Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)
- *

Children who get paid these benefits directly, instead of through a parent or guardian, can also get free school meals.

If you think this applies to you please visit to school office for an application form. We hope this is helpful to you and ultimately to the money we can access for the pupils.
